Power Text: John 14:6

Jesus says unto him, "I am the way, the truth,
and the life; no man cometh unto the Father,
but by Me."

THEME SONG

Years of time have come and gone
Since I first heard it told
How Jesus would come again someday
If back then it seemed so real
Then I just can't help but feel
How much closer His coming is today.

Chorus

Signs of the times are everywhere
There's a brand new feeling in the air
Keep your eyes upon the eastern sky
Lift up your head, redemption draweth nigh.

Wars and strife on every hand
And violence fills our land
Still some people doubt He'll come again
But the word of God is true
He'll redeem His chosen few
Don't loose hope soon Christ Jesus will
descend.

EVERYONE IS WELCOME

FELLOWSHIP SONG

I just feel like something good is about to
happen
I just feel like something good is on it's way
He has promised that He'd open all of
Heaven
And, brother, it could happen any day

When God's people humble themselves to
call on Jesus
And they look to Heaven expecting as they
pray
I just feel like something good is about to
happen
And, brother, it could be this very day

I have noticed all the bad news in the paper
And it seems like things get bleaker every
day
But for this child of God it makes no
difference
Cause it's bound to get much better any
way

I have never been more thrilled about
tomorrow
Sunshine always bursting through the skies of
gray
I just feel like something good is about to
happen
And brother this could be, sister this could be
O friends this could be the very day.
