Sermon Summaries

Desert Season

Sermon by Pastor Cousins (January 28/06)
Sermon Summary by Camille Knight

God never said that we wouldn't endure hardships. However, He did promise that no weapon formed against us would prosper (Isa. 54:17). Life is made up of seasons. There are seasons of rain where everything seems to be going well, and seasons of drought where things don't go as smoothly. It is in these hard times that God can teach us, and we grow. It is important never to forget that even in the bad times God can bless us (because He never leaves our side in the first place!). He'll make a way through the desert, and He'll provide streams of water in the wasteland to give drink to his chosen people (Isa. 43:19-20). Praise God!

Women's Ministry International Day of Prayer

Sermon by Pastor Cousins (March 4/06)
Sermon Summary by Omega Knight

Luke 2: 36-38

Today's message addressed 6 principles to implement for a stronger prayer life.

First, he spoke of the armor of God, which is for equipping your soul. We cannot "fight" Without our armor (Ephesians 6:11-18).

Second, scheduling your prayer time. Let nothing interrupt you.

Third, preparing for prayer:

- a) Is there a sin for me to confess?
- b) Is there a promise for me to claim?
- c) Is there an attitude for me to change?
- d) Is there a command for me to obey?
- e) Is there an example for me to follow?

Fourth, planning and recording your prayers, and monitoring your answers.

Fifth, praying God's word back to Him

Sixth, intercessory prayer.
