### The Westmount Heritage Project Nearing Completion

The Westmount Seventh-day Adventist Church is in the process of publishing its history. The initiative, known as the Westmount SDA Church Heritage

Project, which started seven years ago, is nearing completion. The manuscript for the publication is almost ready. However, there is a shortage of funds for its publication and re-production of copies. A humble appeal for financial help goes to all current and former members and friends of

Westmount Church. A tax deductible receipt will be issued for any contribution made. In addition, those who wish to write article(s) for the publication about their experience at the church and any other pertinent information are invited forward them to:

**[elijahjames@vidoetron.ca](mailto:elijahjames@vidoetron.ca)**

The deadline for submitting the articles is December 15, 2006. For further information about the project, please send an e-mail to:

[ellice@hotmail.com](mailto:ellice@hotmail.com)

## Youth Corner

### AY Program for September 2006

The Westmount Church AY Department has a full slate of activities and programs for the month of September. September 2nd and 9th will be movie nights with a spotlight on the Catholic church. "Luther" will be featured on the 2nd, and "Magdalene Sisters" on the 9th (a restricted audience may be imposed). Also on the 9th before the movie, there will be a program on Health. On September 16, there will be a seminar on "Sexuality", which will be followed by a Gym Night, after sunset. On the 23<sup>rd</sup>, Sis. Yvonne Mattocks will present a play called "The Boyz". The play features a story about courage in the face of imminent danger. The play is a modern adaptation of a famous bible story. Come and find out which story is being portrayed! By the end of the month, AY programs on Society and Religion will also be presented. For further information, please contact the AY Coordinator, [Marc Belhomme jr.](mailto:Marc.Belhomme.jr@westmountsda.org)
